

Welcome to WIT | Semester 1 2020

Welcome!

We're so happy to have you here and are looking forward to seeing you throughout the university semester!

Every fortnight we will send you updates about upcoming events, intern and graduate opportunities, the coolest trends in technology as well as tips and tricks to succeed in the industry. To keep up to date follow our social platforms [Facebook](#) and [LinkedIn](#) or visit our [website](#) for more information.

Once again thanks for joining WIT and we hope you have a wonderful 2020!

Technology Jobs

Deloitte.

Big Four

Accounting firms like PWC, Deloitte, EY and KPMG might seem like odd fits for a tech student, but streams like tech consulting are available alongside the regular commerce streams! These are great places to start your career. All 4 firms are currently hiring now for graduate roles!

Accenture

Accenture is a technology consulting professional services firm based in Barangaroo. They are also currently hiring for their 2021 graduate intake, but applications opened in early February so be sure to get in quick! They also have winter internship applications opening in March.

Our Events

We have a variety of events coming up this semester. Be sure to keep an eye out for Trivia Night on the 12th of March.

WOMEN IN TECHNOLOGY

SEMESTER 1 EVENT GUIDE

Trivia Night: 12th of March

Calling all new members to join in on some trivia and food. It's the perfect opportunity to have some fun and make some new friends ahead of the busy semester.

Women in the Industry Panel

Wondered what it's like to be a leading female in a tech? Hear from leaders across the technology sector and get some insight into the rapidly growing technology space.

User Experience (UX) Workshop

Knowledge in UX is a great way to supplement your degree. Taught by a UX Designer from a leading tech firm, you will learn the importance of UX for a business when it comes to delivering products and services.

Social Collaboration

Partnering with Women in Engineering, Science, Economics, Business and NOW, this is a great opportunity for students to meet like-minded people.

Site Visit

An opportunity to sneak through the doors of leading a Tech Organisation.
